

## NEUROSCIENCE COURSES AT THE UNIVERSITY OF EAST ANGLIA

This course satisfies the **300-level PSYC** requirement for the NRSC major

<b>UEA Course Number</b>	<b>Course Name</b>	<b>Dickinson Course</b>
PHAP-5012B	Neuropharmacology—Central Nervous System	

These courses satisfy the **400-level seminar** requirement for the NRSC major

<b>UEA Course Number</b>	<b>Course Name</b>	<b>Dickinson Course</b>
PSY-6009A	Brain and Cognition	PSYC 480
PSY-6003A	Developmental Science in Action	PSYC 480
PSY-6023B	Forensic Psychology	PSYC 480
PSY-6022B	Neurodevelopmental Disorders	PSYC 480
PSY-6018A	Magical Visual World	PSYC 480
PSY-6030B	Psychology of Sleep	PSYC 480
PSY-6010B	The Social and Emotional Brain	PSYC 480
PSY-6015B	The Psychology of Language	PSYC 480

These courses satisfy the **Science Elective** for the NRSC major

<b>UEA Course Number</b>	<b>Course Name</b>	<b>Dickinson Course</b>
BIO-4013Y (fall only)	Molecules, Genes, and Cells	BIOL 342
	This course is not suitable for those medical school bound	
BIO-5003B	Molecular Biology	BIOL 417
BIO-5004A	Human Physiology	BIOL 333
BIO-5005B	Cell Biology	BIOL 313
	This course can alternatively serve as the 300 level BIOL course for the NRSC major	
BIO-5015B	Microbiology	BIOL 326
BIO-5009A	Genetics	BIOL 216
BIO-5002A	Biochemistry	BIOL 343
CHE-5601A	Biophysical Chemistry	

These courses satisfy the **Non-Science Elective** for the NRSC major

<b>UEA Course Number</b>	<b>Course Name</b>	<b>Dickinson Course</b>
CMP-6040B	Artificial Intelligence	
PPLP-5173A	Mind and Language for Second Years	
PPLP-5175B	Knowledge Science and Proof for Second Years
