The Lens 123® contact lens replacement program is endorsed by the industry’s major manufacturers.

## 3. LASER VISION CORRECTION

Davis Vision’s Laser Vision Correction program provides substantial discounts on laser vision correction procedures. Members are entitled to savings of up to 25% off usual and customary fees or a 5% discount off a center’s advertised special through a network of preeminent physicians affiliated with Eye Centers of Excellence. (Some centers provide a flat fee equating to these discount levels.) See below for information on finding a participating laser vision provider near you.

### HOW THE DISCOUNT PROGRAM WORKS WITH YOUR PLAN

You may choose from a list of Davis Vision contracted private practice providers or contracted retail locations for discounts on eyewear. If you already have a vision examination benefit as part of your health plan, you may use a network provider in your health plan network for your examination. Then use a Davis Vision contracted provider for your eyewear purchases (eyeglasses, etc.) and maximize your savings (you should verify whether or not the Davis Vision provider accepts outside prescriptions prior to your appointment).
